Talent Management Way Ahead with IPPS-A

BLUF

IPPS-A is the critical enabler for The Army People Strategy and its transition to a Talent Management system and a human resources data-rich environment.

Data is the center of gravity to facilitate change

Continued pilots by Army & Talent Management Task Force are critical and provide visibility that will change decision making

How Does IPPS-A Change MILPAY Processing?

HR TRIGGERS PAY

Eliminating separate manual pay transactions

HR Transactions on Soldier's record trigger pay

EXAMPLE

Soldier arrives to Afghanistan; Hardship Duty Pay-Location (HDP-L) starts for Soldier once they serve 30 consecutive days in country (IAW business rules); retroactively paid from arrival

BUSINESS RULES EMBEDDED

Eliminating primarily manual interpretation

Business Rules embedded within IPPS-A support "If / Then" scenarios electronically

EXAMPLE

If Soldier is involuntarily separated from Family (deployed) for more than 30 days, Soldier is eligible for Family Separation Allowance (DoD FMR)

SELF-SERVICE

Eliminating manual pay transactions/packets for Soldier

Allows Soldiers to request pay – impacting Personnel Actions (PARs) electronically via Self-Service

EXAMPLE

Absence Request (Leave) requested by Soldier via Mobile Self-Service. Leave taken upon approval (default) vs. after

ACTIVITY GUIDES

Eliminating manual pay transactions for Soldier

Guides Soldiers to complete certain tasks in specific order as applicable

EXAMPLE

In-processing/onboarding process for a new hire that can include multiple users and numerous tasks or steps

The Soldier Talent Profile (STP)

BLUF

IPPS-A will deliver improved talent information flow and greater transparency between all Components of the Army to employ and retain its very best. The STP provides a detailed level of workplace characteristics on each Soldier in our force. This includes hundreds of data elements regarding knowledge, skills, behaviors, experiences and readiness. When pieced together, the data provides a holistic talent profile of a Soldier.

● Self-Professed: Soldiers upload/validate in IPPS-A STP ○ Army-Captured
