Known Issues

Team	ADO#	Feature Type	Title	Issue / Change	State
Assignments	46451	ECR-Low	Remove the Attachment functionality within the Assignment pages	Attachments stored on assignments that do not transmit to iPERMS and become only storage problems for IPPSA	Pending work based on priorities
	48615	ECR-Low	TDY Admin/PERSTEMPO	HR Pros are unable to capture and track PERSTEMPO Events for the different exercises their members go on **(Based on Capacity)**	Pending work based on priorities
Benefits and Pay	12959	ECR	DMDC 1148/1336 - Loss Transactions Missed for MPC Changes	Since go-live, over 7K loss transactions for MPC changes have been missed due to compounding of transactions executed on the same day in assignments; Gain transactions are also being missed for the same reason	Release pending completion of test and competing priorities.
BI Reporting	12939	Research Spike	COA to manage impacts of BI loads to reporting results	When counting whole-Army strength count(s) simultaneously from both canned BI reports and an Ad Hoc Query at the same time, and BI Loads are occurring at that exact same time, a user may observe a slight difference of less than half a percent while one report briefly catches up with the other **(Dependent on OAS date)**	Pending work based on priorities
CRM/ELM	40242	External Issue	Announcement notifications count stay visible after they have expired	When users don't view announcements, and they expire the unread count does not change from their view in the Announcement tile. **(Dependent on Oracle fix)**	Release pending completion of test and competing priorities.
Foundations	13023	ECR-Low	NON DEPLOYABLE MRC / MRRC Codes incorrect on profile	Inability for the Army to accurately report medical readiness and non deployable reports. **Update (12 Mar 25): Developers performing functional validation and Unit Testing in 8.5. Plan is to hand-over work to IPPS-A Test Team at the end of 8.5.**	Working 2Q25, release pending completion and competing priorities.
	13078	ECR-Low	Obtain Deployment Limiting Condition Codes from MODS and map to HCM	Three primary impacts: 1) Inability for the Army to accurately report medical readiness in DRRS-A; 2) Innacurate restrictions caused by improperly considering temporary profiles < 30 days; and 3) BI resources spent managing this logic (updates, fixes).**Update (12 Mar 25): Work to map DL Codes is complete, but closing this ticket depends on the interface fix (13023) to be complete. Developers state once 13023 is complete, 13078 will be complete as well. Projecting end of 8.5.**	Working 2Q25, release pending completion and competing priorities.
	33787	External Issue	External Issue/ ATRRS/ Historic Course Duration provided in mixture of HRS/WKS and sometimes null	This ticket supports efforts to work with ATRRS to standardize how they send us course information (hours vs. weeks)	Pending trading partner work
Hire - Rehire	13145	ECR	New SFTP Request: Interactive Personnel Electronic Records Management System (iPERMS)	Type of interface for the new RRT Redesign effort is TBD based on collaboration between the two systems. Based on previous discussions, iPERMS is prepared to receive the new data via Topics and/or flat file via SFTP (for Pay entitlements). **(Moving to PI9 due to Resource and Production issues)**	Working 3Q25, release pending completion and competing priorities.
	17025	SPR (SEV 3)	SPR 16561 BD_ELIG failing on PMOS and SMOS	When a new PMOS is added by a user, the current PMOS is pushed to SMOS. However, the current SMOS is not pushed to Additional MOS. Hence, there are two active SMOS with the same effdt **(Dependency with Foundations work)**	Release pending completion of test and competing priorities

One Soldier ★ One Record ★ One Army

Acronyms

ABS: Absence
ACT: Assignment Coordination Tracker
ACFT: Army Combat Fitness Test
ADO: Azure DevOps
ADS: Authoritative Data Source
AGCM: Army Good Conduct Medal
AGR: Army Guard Reserve
AIM2: Active Duty Officer Assignment Interactive Module Version 2
AMPO ADSN: Army Military Pay Office Disbursing Station Symbol Number
AOS: Army Organization Server
ARISS: Army Recruiting Information Support System
ARQODA: Assignment Requisition Organizational Distribution Authority
ARSTRUC: Army Structure
ASI: Additional Skills Identifier
ASC: Administrative System Correction
ATMS: Army Training Management System
ATRRS: Army Training Requirements and Resources System
BASD: Basic Active Service Date
BCT: Basic Combat Training
BDAP: Basic Date of Appointment
