

# IPPS-A Mobile App 2.0 Update & Demo

---

22 January 2024

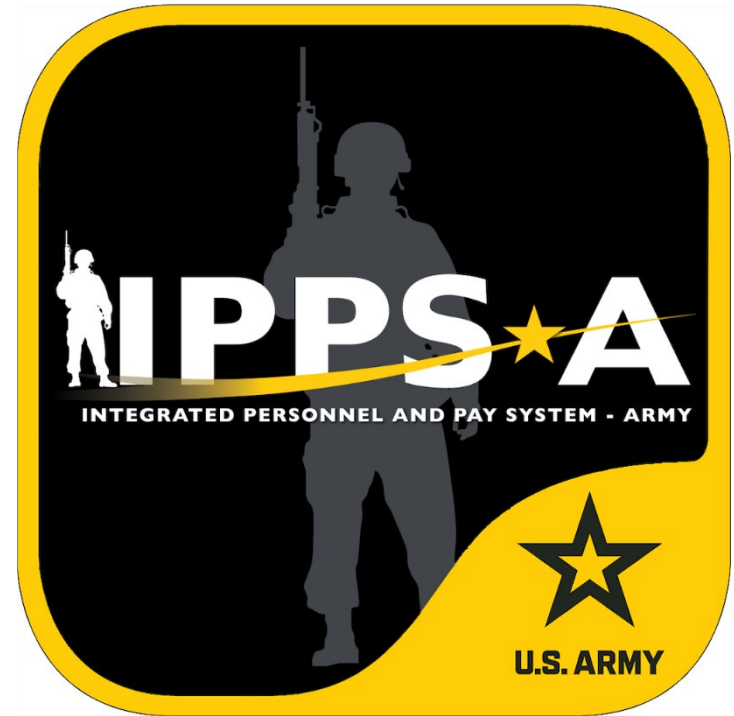

One Soldier ★ One Record ★ One Army

# Agenda

- **Summary of Changes**
- **Log In Tab Updates**
- **Settings Update**
- **Side Menu Update**
- **Support Tab Update**
- **Demo**

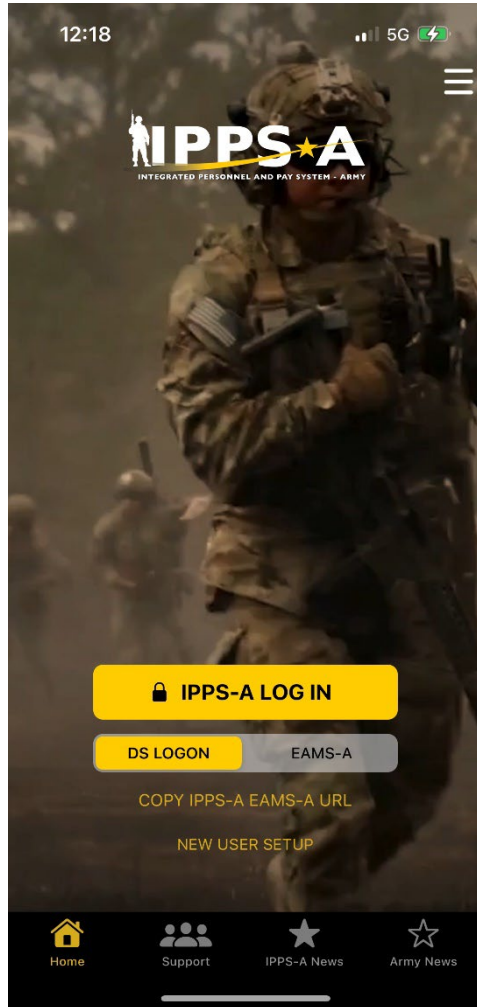

# Summary of Changes

- **Complete Rebuild & Design**
  - Removed unused code & files that are no longer required
  - Cleaner and visually appealing look (e.g. Replacing text buttons with icons)
- **Apple**
  - Updated code to 17.2
  - Removed Cocoa Pod files, using stand-alone code to mitigate any potential vulnerabilities, and to improve performance
- **Android**
  - Updated code to target API of 34 (Google Play Store requirement is now a minimum of 33)
- **Updated App Icon**
- **News Feeds work on stand-alone code**

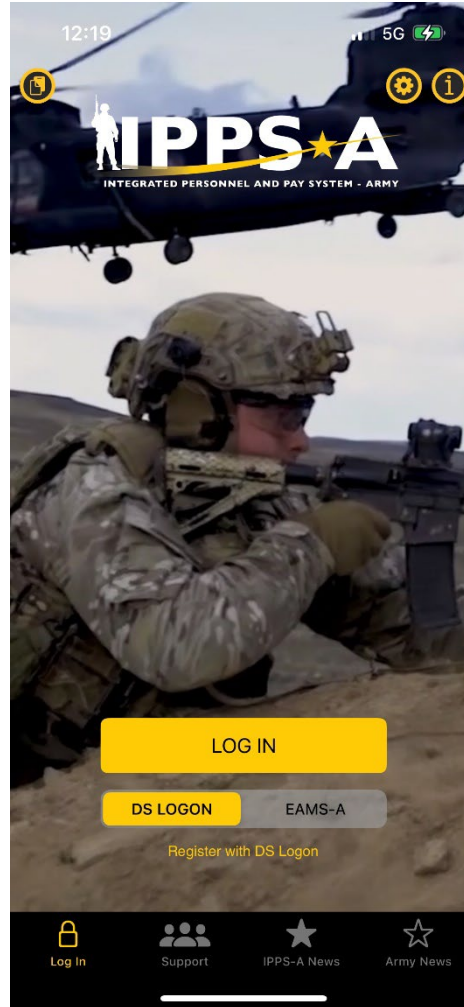

# Log In Tab Update

## Current

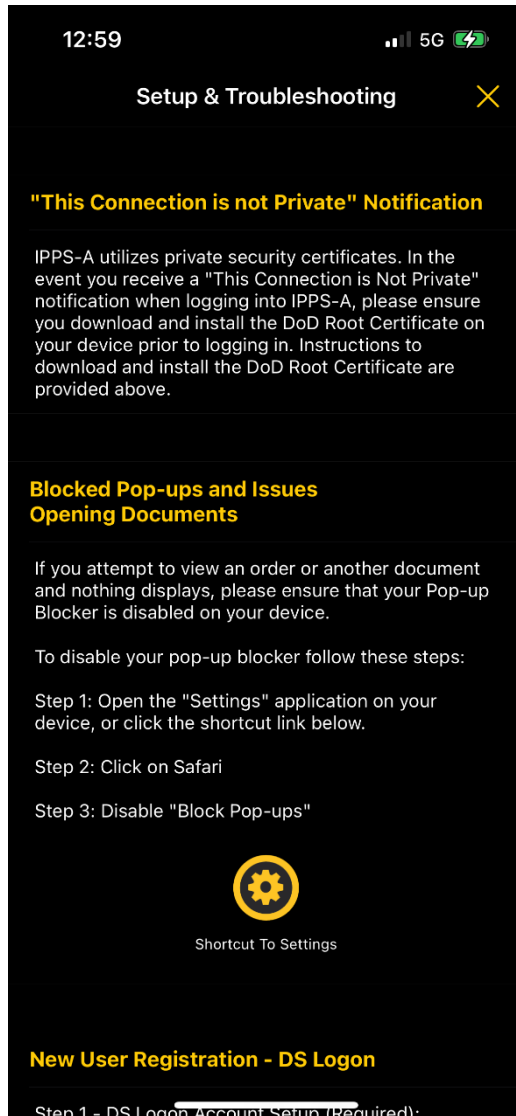

## Update

- Renamed Home Tab to Log In, and changed icon from Home to Lock
- Updated Video Background with newer cleaner video from 75<sup>th</sup> Ranger Regiment PAO
- Replaced most text links with button images
- New User Setup replaced with Register with DS Logon

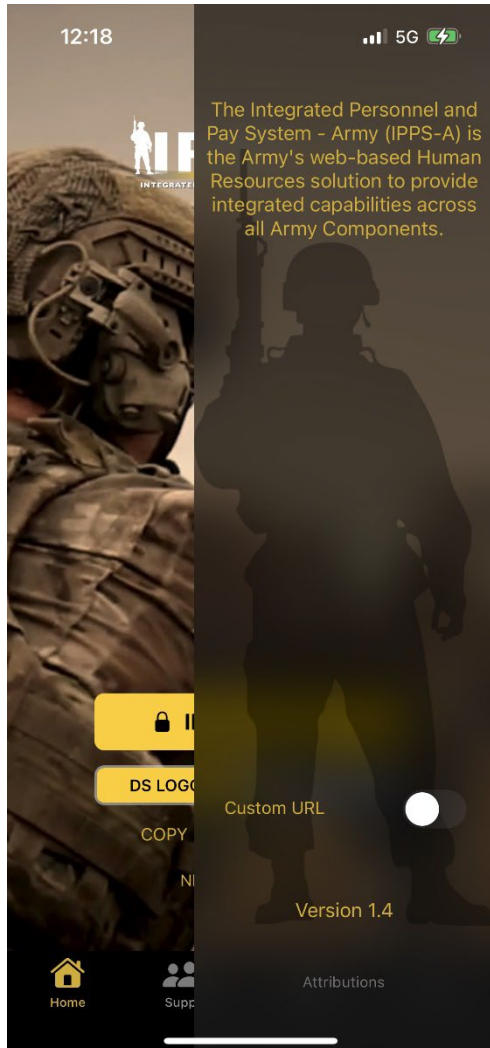

# Settings Tab Update

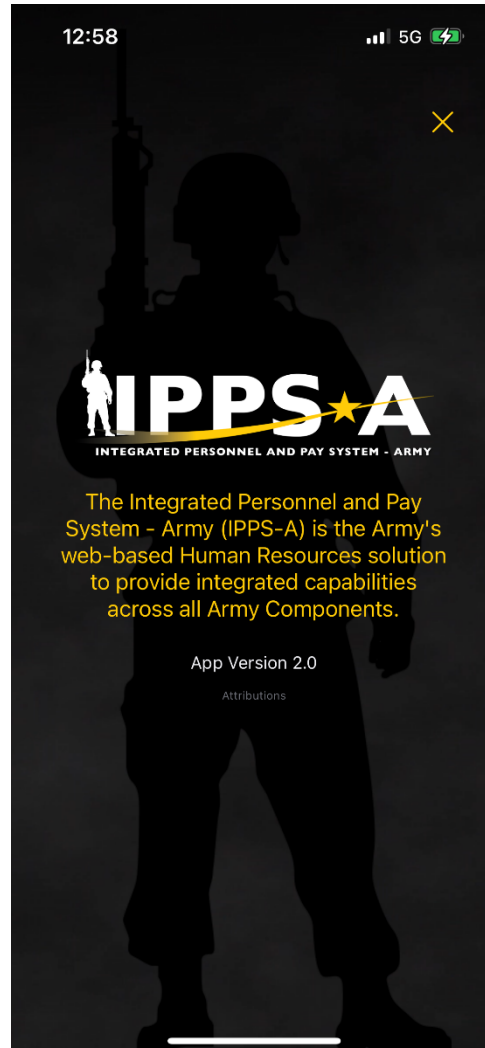

- **Updated troubleshooting instructions for “This Connection is not Private” Notification**
  - DISA implemented new Security Certificates with 13-month expirations that prevent the notification from displaying if the user has the DoD Root Certificate installed on their device
  - Instructions were modified to inform/remind the user to download and install the DoD Root Certificate if this notification displays
- **Added instructions to address issues opening documents**
  - Users must disable the Safari Pop-up blocker on their device to open orders or attachments
  - Instructions provided how to disable the Pop-up Blocker
  - Users will still be asked if they would like to open a pop-up (OS security feature)

# Side Menu Tab Update

## Current

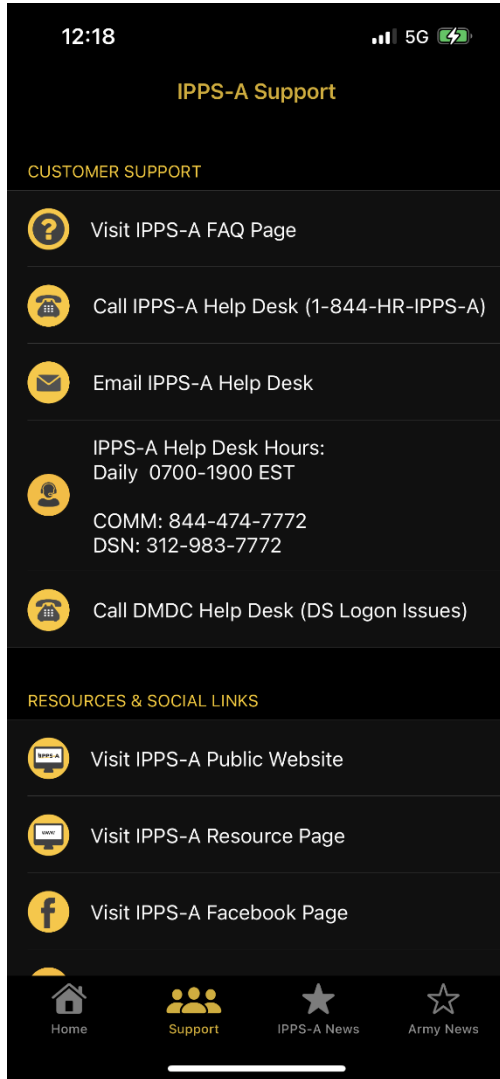

## Update

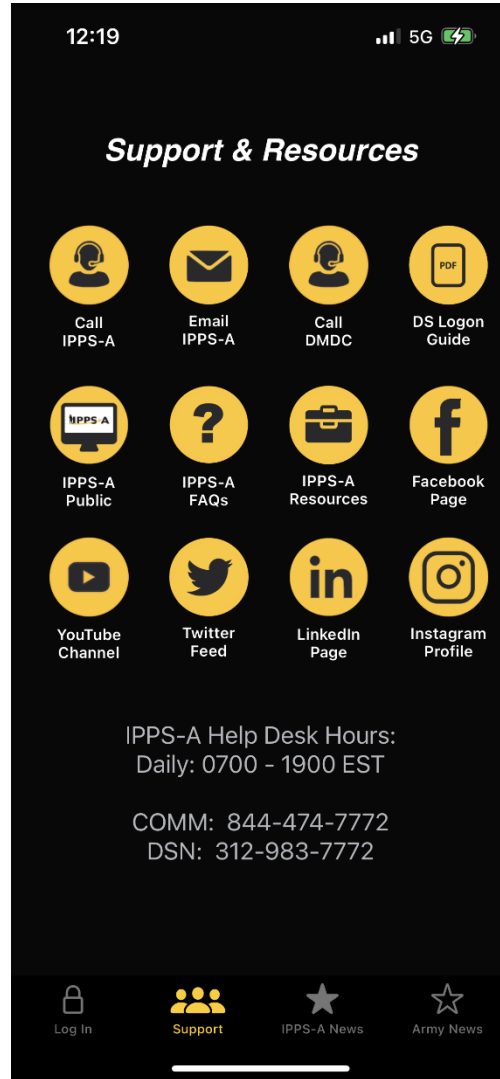

- Updated to full screen versus slider (CocoaPod Removal)
- Replaced background image & video
- Removed custom URL no longer required due to the ability to replace URL within the app already when accessing the site
- Updated Attributions giving credit to 75<sup>th</sup> Ranger Regiment PAO for Log In screen video

# Support Tab Update

## Current

## Update

- Revised layout with graphical buttons (received feedback on social media, the button design was preferred)
- Updated DMDC FAQ PDF Guide (As of 6DEC23)
